

Mission Critical Elements

CLASS/TIF: Year 2 Implementation

In the first year of implementation much is known and much remains unknown. With many competing demands within and outside of the grant, a focus on mission critical elements will be essential.

ENGAGEMENT AND COMMUNICATIONS

Desired Outcome

I have opportunities to participate in the design of the project and provide meaningful feedback.

Desired Outcome

I understand what CLASS/TIF is and the potential benefits to our district.

PRINCIPAL/TEACHER EVALUATIONS

Desired Outcome

Observations, artifacts and student achievement measures lead toward improvement of my practice.

CAREER PATHS

Desired Outcome

I feel empowered to be a leader.

COLLABORATIVE EDUCATOR-LED DESIGN

PROFESSIONAL DEVELOPMENT

Desired Outcome

The professional learning in my district improves my professional practice.

COMPENSATION

Desired Outcome

I am recognized and rewarded for my professional contributions.

NATIONAL 5-YEAR ACTION RESEARCH PROJECT

VAM

PBCS

Desired Outcome

I understand what schools can do to earn additional compensation.
